

Project Details:

Infrastructure improvements on Wornall Road from 85th Street to 89th Street including:

- New street pavement
- New curb and gutter
- Streetlight Upgrades
- New sidewalks
- New water line
- Storm sewer upgrades

Timeline:

Spire Energy will immediately begin the installation of a new gas line (this private utility work is separate from the city's project). The roadway improvements will begin by August 2018 and will be completed before Spring 2019. **For more information, please visit kcmo.gov/Wornall. To track all city GO KC projects, please visit kcmo.gov/GOKC.**
