

# Revitalize, Rebuild & Repopulate KCMO's Urban Neighborhoods

**Goal:** Demolish all structures on the Dangerous Buildings List in two years

These 23 abandoned houses are the first to be demolished under the city's new \$10 million program to clear all 800 structures on the Dangerous Buildings List. This round of demolition work has been donated by Kissick Construction, Industrial Wrecking, Blue Nile Contractors, Garney Construction, Hettinger Excavating & Demolition, Mark One Electric, O'Donnell & Sons, Max Rieke & Brothers, Site Rite Construction, Superior Bowen Asphalt, and Houston Excavating.

Track the progress with weekly updates in the City's Open Data Catalog:
