

## Required Plan Documents for BZA Cases

The plan sheets listed below are required for the application submittal to the right if its cell is marked with an "R" and are strongly encouraged when marked with an "E". The director or her/his designee may waive any required plan sheets if requested by the applicant for good cause shown.

|  | Variance | Special Exception | Appeal (Admin. or CLNU) |
|--|----------|-------------------|-------------------------|
| Site Plan                              | R        | R                 | -                       |
| Notice of Violation                    | -        | -                 | R                       |
| Imagery of Site                        | R        | R                 | R                       |
| Example of Proposed Building Materials | E        | E                 | -                       |
