* Bo Moreno made a motion, seconded by Bill Griffith, to approve the minutes of the meeting on March 30, 2023. The motion passed.

OEQ Update- Andy Savastino

- **Solarize KC-** We are still working on getting a proposal.
- **Everygy Community Solar Program-** Went to effect May 1, 2023- please look at the program for details.
- **OEQ Staffing-** Positions are out there to apply for. Hopefully we will have two new positions to support the CPRP.
- **LEED for City-** We are certified Gold as a City - We are excited about the program and thank everyone that supported us.
- **Legal Services to Rate Changes-** We have worked with the legal department to look for someone out there to work with the City.
- **Grants-** We have been working through all the grants out there and finding partners for them. Partners, stakeholders, and or having us being supportive to them would help us a lot. We have others working with us on all these grants, thank you to all.

Public Comment:

- **Kimberly Winslow-** Gave an update on Regan Tokos comment.
- **Bridget Sanderson-** DC fast charger plans? **Andy Savastino-** No point currently. **Kimberly Winslow-** We have level 2.

New Business- none

The meeting was adjourned at 4:35pm.
