**Re: Visible Emission Training “Smoke School”**

Dear Past and Future Participants:

We are happy to announce the Kansas City Air Quality Program (KCAQ) will be hosting smoke school this spring.

The KCAQ’s Spring 2019 Visible Emission Certification Training is scheduled for **April 17th and 18th with the 19th as the rain date.**

We will have practice opacity reading runs from 8:30-9:00a.m. both days. The opacity readings will be conducted on both days from 9:00 am to 4:30 pm at the Birmingham Treatment Plant at 10801 NE 28<sup>th</sup> St., Kansas City, MO 64161. Enclosed is a map of the testing location. .

**All attendees should complete several tests after their passing test. This will help avoid false passing and will provide everyone with more practice.**

Please fill out one application form for every person that will be attending (the form can be duplicated as necessary). **The registration fee is \$150 per person. Fee can be [paid online](#) or by check to the City Treasurer of Kansas City, Missouri.** Send check and application to the Air Quality Program. **We do not accept credit card payments over the phone.** The fee is non-refundable, although the training will be rescheduled during inclement weather. If the weather is questionable the day of the training, please call the office to see if the training is postponed.

If you have any questions about smoke school, or any other Air Quality programs, please call us at (816) 513-6314 or visit the registration page at <http://kcmo.gov/health/smoke-school/>
