Application to U.S. Department of Housing and Urban Development (HUD) FY24 Pathways to Removing Obstacles to Housing (PRO Housing) NOFO

The City of KCMO HCDD's grant application to FY24 PRO Housing is an effort to continue to empower communities that are actively taking steps to remove barriers to affordable housing and seeking to increase housing production and lower housing costs over the long term. These barriers may take the form of:

- Restrictive zoning designations, land use policies, or regulations
- Discretionary, costly or prolonged procedures
- Deteriorating or inadequate infrastructure
- Lack of neighborhood amenities
- Neighborhood opposition to new or affordable housing
- Challenges to preserving existing housing stock such as increasing threats from natural hazards, redevelopment that reduces the number of affordable units, displacement pressures, or expiration of affordability requirements
