You're Invited!

KCMO Public Works is conducting sidewalk design inspections as part the GO KC sidewalk program. Inspection areas include Zone 1 from north city limits to 20th Street, Zone 2 from 20th Street to 48th Street, and Zone 3 from 48th Street to the south city limits. Learn more about the program and Zone 2 by attending any of the public meetings shown below. During the meetings, you will be able to review exhibits that describe the GO KC sidewalk program and Zone 2. Representatives from the City and design team will be present to answer your questions and discuss issues or concerns.

Zone 2 Public Meetings (20th Street to 48th Street)
