Suppliers located outside Kansas City, Missouri, must have an occupational license if services are performed in Kansas City, Missouri. A valid license is required as a condition of all contracts.  - A. All suppliers located in Kansas City, Missouri, are required to have a valid earnings tax file number and to pay earnings taxes on wages. Suppliers located outside Kansas City, Missouri, must have a valid earnings tax file number and pay earnings taxes if services are performed in Kansas City, Missouri. 9. **MODIFICATION OR WITHDRAWAL OF BIDS.**
 - A. Bids may be modified or withdrawn by written or telegraphic notice received prior to the exact hour and date specified for receipt of bid. A bid may also be withdrawn in person or by a bidder or his authorized representative, prior to the exact hour and date set for receipt of bids. 10. LATE BIDS AND MODIFICATIONS OR WITHDRAWALS.
- A. Bids and modifications of bids (or withdrawals thereof, if this solicitation is advertised) received at the office designated in the solicitation after the exact hour and date specified for receipt will not be considered unless: (1) they are received before award is made; and either (2) they are sent by registered mail, or by certified mail for which an official dated post office stamp (postmark) on the original Receipt for Certified Mail has been obtained and it is determined by the City that the late receipt was due to delay in the mails for which the bidder was not responsible; or (3) if submitted by mail (or telegram facsimile if authorized) it is determined by the City that the late receipt was due solely to mishandling by the City after receipt; provided that the timely receipt is established upon examination of an appropriate date or time stamp (if any) or of other documentary evidence of receipt (if readily available) within the control of the City or of the Post Office serving it. However, a modification of a successful bid which makes the terms of the bid more favorable to the City will be considered at any time it is received and may thereafter be accepted.
- B. The time of mailing of late bids submitted by registered or certified mail shall be deemed to be the last minute of The date shown in the postmark on the registered mail receipt of registered mail wrapper or on the Receipt for Certified Mail unless the bidder furnishes evidence from the post office station of mailing which establishes an earlier time.

- A. If the bidder discovers a mistake in bid prior to the hours and date specified for receipt of bid, he may correct the mistake by modifying or withdrawing the bid in accordance with paragraphs 9 and 10 above.
- B. If the apparent low and best bidder discovers a mistake in bid of a serious and significant nature which is unfavorable to him prior to the issuance of a purchase order or a contract, he may request consideration be given to modifying the bid if he remains the lowest bidder or to withdrawal of the bid if the result of the correction of the mistake makes another bidder lowest and best bidder. The mistake must be evident and provable. The right is reserved by the City to reject any and all requests for correction of mistakes in bids received after the hour and date of the bid opening. The decision of the Buyer is final as regards acceptance or rejection of request for correction of bids.
- C. A MISTAKE IN BID CANNOT BE CONSIDERED ONCE A PURCHASE ORDER OR CONTRACT IS ISSUED.
12. NO BIDS AND FUTURE SOLICITATIONS. It is required that if a supplier does not desire to bid, the bid should be marked "NO BID" and returned in order to maintain the bidders name in supplier file for future solicitations. If a bidder fails to respond to four (4) successive bids without returning a "NO BID", the Buyer reserves the right to delete the bidder, or certain products listed as sold by the supplier, from the supplier file for future solicitations.
13. BID BOND REQUIREMENT. Bid bonds shall be provided when specified by the terms of the INVITATION FOR BID or the REQUEST FOR QUOTATION. The amount shall be that determined by the Procurement Services Manager, City of Kansas City, Missouri, referred to hereafter in these INSTRUCTIONS AND CONDITIONS as the Manager, to be reasonable and necessary to protect the best interest of the City. When required, the bid bond must accompany the bid. Failure to provide the bond prior to the bid opening will be cause for disqualification of the bid. The bond may be in the form of a surety bond, cashier's check, money order, or certified check drawn on a solvent bank. Such bond or deposit shall be forfeited to the City in case the bidder shall fail or refuse to execute the contract.
14. TRADE-IN. If the solicitation requests a price or value for one or more pieces of equipment to be traded in as a part of the purchase of new equipment, the City retains the option to purchase the new equipment at the full price or to reduce the price of the new equipment by the amount of the trade-in offered. The City is not obligated to accept the trade-in offer and may withdraw equipment offered for trade-in at any time up to award.
15. EVALUATION OF BIDS FOR MULTIPLE AWARDS. In addition to other factors, bids will be evaluated on the basis of advantages or disadvantages to the City that might result from making more than one award (multiple awards) to include total cost of ownership and administrative cost to the City for issuing and administering each contract and associated purchase orders awarded under this invitation. Administrative costs will be in a range for the class of procurement as established by the Manager. Individual awards will be for the items and/or services and combinations of items and/or services which result in the lowest aggregate price to the city, including such administration costs.
16. AWARD OF CONTRACT.
- A. BIDS WILL BE ANALYZED AND THE AWARD MADE TO THE LOWEST AND BEST RESPONSIVE AND RESPONSIBLE BIDDER whose bid conforms to the solicitation and whose bid is considered to be most advantageous or best value to the City, price and other factors considered. The right to determine the foregoing is reserved to the Manager and is not subject to appeal. In the event equal bids are received, paragraph 20. MISSOURI AND OTHER PREFERENCE will apply. If the preference does not break the tie, then the award will be made by public drawing of lots by the Buyer.
- B. The City reserves the right to reject any and all bids and all or part of a bid; to waive informalities, technical defects, and minor irregularities in bids received; and to select the bid(s) deemed most advantageous or best value to the City. The City shall consider bids submitted on an "all or nothing" basis if the bid is clearly designated as such.
- C. The City may accept any item or group of items of any bid, unless the bidder qualifies his bid by specific limitations. UNLESS OTHERWISE PROVIDED IN THE SOLICITATION, BIDS MAY BE SUBMITTED FOR ANY QUANTITIES LESS THAN THOSE SPECIFIED AND THE CITY RESERVES THE RIGHT TO MAKE AN AWARD ON ANY ITEM FOR A QUANTITY LESS THAN THE QUANTITY BID AT THE UNIT PRICES BID UNLESS THE BIDDER SPECIFIES OTHERWISE IN HIS BID.

ITEMS ARE TO BE FURNISHED AS DESCRIBED IN THE BID AND IN STRICT CONFORMITY WITH ALL INSTRUCTIONS, CONDITIONS, SPECIFICATIONS, AND DRAWINGS CONTAINED IN THE COMPLETE CONTRACT.
17. PURCHASE ORDERS. All goods and services will be ordered by means of a purchase order for which funds have been certified and encumbered by the Director of Finance. Under emergency conditions, the Buyer in the Procurement Services Division may order goods or services and provide a purchase order number by telephone.
18. PERFORMANCE BOND REQUIREMENT. A performance bond shall be provided by the bidder receiving the award when specified by the terms of the bid. The amount shall be that determined by the Manager to be reasonable and necessary to protect the best interest of the City. "THE BOND MAY BE IN THE FORM OF A SURETY BOND, CASHIERS CHECK, BANK OR U.S. POSTAL MONEY ORDER, OR A LETTER OF CREDIT ISSUED BY A BANK SUBJECT TO APPROVAL BY THE CITY OF KANSAS CITY, FINANCE DEPARTMENT." Such bond or deposit shall be forfeited to the City in case the bidder receiving the contract shall fail or refuse to fulfill the requirements and all terms and conditions of the contract. The contract is not considered to be complete until the performance bond is submitted. Purchase orders may not be issued or invoices paid unless the required performance bond is on file. Unless specified otherwise in the bid, the bond must be furnished within twenty-one (21) calendar days after receipt of notification of intent to award the contract or receipt of a request for performance bond. The City has the right to disqualify an otherwise successful bid if the performance bond is not received within the time requested.

19. COMBINED ANNUAL BID AND PERFORMANCE BOND.

- A. In lieu of submitting a bid deposit with each bid, a prospective supplier may file with the Manager a surety bond in a minimum amount as specified by the Manager issued by a company licensed to do business in Missouri as a surety, to remain in effect during the fiscal year (May 1 through April 30); such deposit, however, shall not fulfill the Bid Bond Requirements as specified in the solicitation unless such deposit is on file or will be filed prior to or at the time of the bid opening. Within the State of Missouri, the same type of preference is given to firms located in the City, as versus other firms located in Missouri but outside the city limits.

B. The City has implemented the Missouri Domestic Procurement Act (Buy American), Sections 34.350 to 34.359 RSMO Supp. 1957, by adopting the following policy on the purchase of American goods. Preference will be given to the purchase or lease of products manufactured, assembled, or produced in the United States if the quality and price are comparable with other goods. Bids offering delivery of each quantity within the applicable delivery period specified above will be evaluated equally as regards time of delivery. Bids offering delivery of a quantity under such terms or conditions that delivery will not clearly fall within the applicable delivery period may, as determined by the Buyer, be considered nonresponsive and may be reflected. When a bidder offers an earlier delivery schedule than that called for in the bid, the City reserves the right to award either in accordance with the REQUIRE schedule or in accordance with the schedule offered by the bidder. If the bidder offers no other delivery schedule, the delivery schedule stated above shall apply.

If rail carrier is used, supplies will be delivered to the specified unloading platform of the consignee. If motor carrier (including "piggy-back") is used, supplies will be delivered to truck tailgate at the unloading platform of the consignee. If the Contractor uses rail carrier or freight forwarder for less than carload shipments, he shall assure that the carrier will furnish tailgate delivery if transfer to truck is required to complete delivery to consignee. One of the following statements usually will appear on the purchase order, although others may be used. If no statement appears, paragraph 22A is applicable.

The City reserves the right to test all articles, commodities, supplies, materials and equipment, referred to hereafter as articles, delivered during the life of the proposed contract, at an independent laboratory, to be designated by the Manager. The laboratory test shall include each item of the specifications to determine whether the articles delivered are in conformity therewith. Tests shall be made on articles selected at random from deliveries made under the proposed contract or contracts. Where the result of such test shows that the articles delivered are not equal or do not conform with the specification, then the expense of making such test shall be paid by the Contractor (the bidder in this bid proposal). If the result of any additional test shall show that the articles delivered and tested conform to the specifications, then in such case the expense of making such test shall be paid by the City. If any such change causes an increase or decrease in the cost of, or the time required for performance of this contract whether changed or not changed by any such order, an equitable adjustment shall be made by written modification of the contract or amendment to the purchase order. Any claim by the Contractor for adjustment under this clause must be asserted within thirty (30) days from the date of receipt by the Contractor of the notification; provided that the Manager, if he decides that the facts justify such action, may receive and act upon any such claim if asserted prior to final payment under this contract. Any other modifications and amendments made within the general scope of the contract will be by written mutual agreement.

38. DISPUTES.

The contract may be exclusive with one (1) Contractor or open to further competition. Approximate Quantities. This bid proposal is based on estimated quantities and it is understood that the estimates are prepared by the City officials for the purpose of comparison of bids, and that the estimated quantities are not guaranteed but are approximate only, and the City reserves the right to increase or diminish the same, or to omit any one or more items, as the Manager may deem desirable.

A. Multi-year term supply and service contracts and leases and the exercise of options to renew term contracts are subject to annual appropriation of funds by the City Council. Payments made under term contracts and leases are considered items of current expense. B. In the event sufficient funds are not appropriated for the payment of lease payments or anticipated term contract payments required to be paid in the next occurring lease or contract term and if no funds are legally available from other sources, the lease or contract may be terminated at the end of the original term or renewal term and the City shall not be obligated to make further payments beyond the then current original or renewal term. The City will provide notice of its inability to continue the lease or contract at such time as the Manager is aware of the non-appropriation of funds, however failure to notify does not renew the term of lease or contract. If a lease is cancelled, the events of default will occur as described in the lease and/or paragraph 39, TERMINATION FOR DEFAULT, of these INSTRUCTIONS AND CONDITIONS. The City, has no monetary obligations in event of termination or reduction of a term contract since such contracts represent estimated quantities and are not funded as a contract, but only to the extent of purchase orders issued.
