

Checklist for waste tire hauler registration

Investigator _____

DBA name and address _____

Sec. 62-193. Requirements for waste tire haulers.

(a) Waste tire haulers shall:

(3) Maintain a copy of the current state permit inside the vehicle when the vehicle contains scrap tires.

(4) Maintain tracking and summary reports as required by the Missouri Department of Natural Resources on forms provided by the Missouri Department of Natural Resources or on similar forms or in a similar format that has been preapproved by the Missouri Department of Natural Resources. The tracking report(s) shall be filled out for each load delivered to an approved destination and shall include all applicable collection and receiver data. All records required by this rule shall be kept on site by the tire dealer and waste tire hauler for at least three (3) years. The records shall be made available for inspection by the director or any police officer upon demand.

Sec. 62-194. Waste tire hauler.

Any person registering as a waste tire hauler within the city shall pay a \$25.00 annual registration fee to the director.

Sec. 62-195. Denial of waste tire hauler permit.

(a) The department will allow registration upon compliance with the provisions of this Article. Failure to comply with the provisions of this Article shall result in denial of registration with the department. Upon denial of registration, the department will issue a written report to the applicant as to the reasons for noncompliance.

(b) Failure to register under this Article shall constitute a violation of this Article.
