## **Convention Trade Area 3:00 a.m. Closing Permit Waiver**

As outlined in Chapter 10, Section 10-106, of the Code of Ordinances of the City of Kansas City, Missouri, I hereby request the Director to waive the requirement that I furnish annual gross sales showing that a minimum of \$125,000 of gross income was derived from my business since my business is located in the downtown economic entertainment district. I fully understand that if this waiver is granted, I must submit gross sales for the remainder of the licensing year that, when projected on an annual basis, will be satisfied.

As outlined in section 10-134 of Chapter 10 of the Code of Ordinances of the City of Kansas City, Missouri, the *downtown economic entertainment district* is the area located in the city's central business district, which is the historic core locally known as the city's downtown area, that contains a combination of entertainment venues, bars, night clubs and restaurants, and that is designated as a redevelopment area by the governing body of the City under the state downtown and rural economic stimulus act. The central business district is defined as the area bounded on the north by I-35 and I-70, on the south by I-70, on the west by I-35 and on the east by I-35.

I further acknowledge that in order for my business to maintain the status of the convention trade area 3:00 a.m. closing permit, my business must produce annual gross sales of a minimum of \$125,000. If my business does not meet the requirement of having annual gross sales equal to or greater than \$125,000.00 at the time my 3:00 a.m. closing permit is up for renewal, I will have one year thereafter to fulfill the \$125,000.00 annual gross sales requirement. I also understand that should my business fail to produce annual gross sales of a minimum of \$125,000 for two consecutive years, my application to renew my 3 a.m. closing permit will be denied.
